HANNA SCHOOL

THE CLASS of 1963

is proud to present

the first school year book

of

SOUTH CENTRAL

HIGH SCHOOL

South Central High School Established

SCHOOL BOARD OF THE CLINTON-HANNA-NOBLE CONSOLIDATED SCHOOL DISTRICT

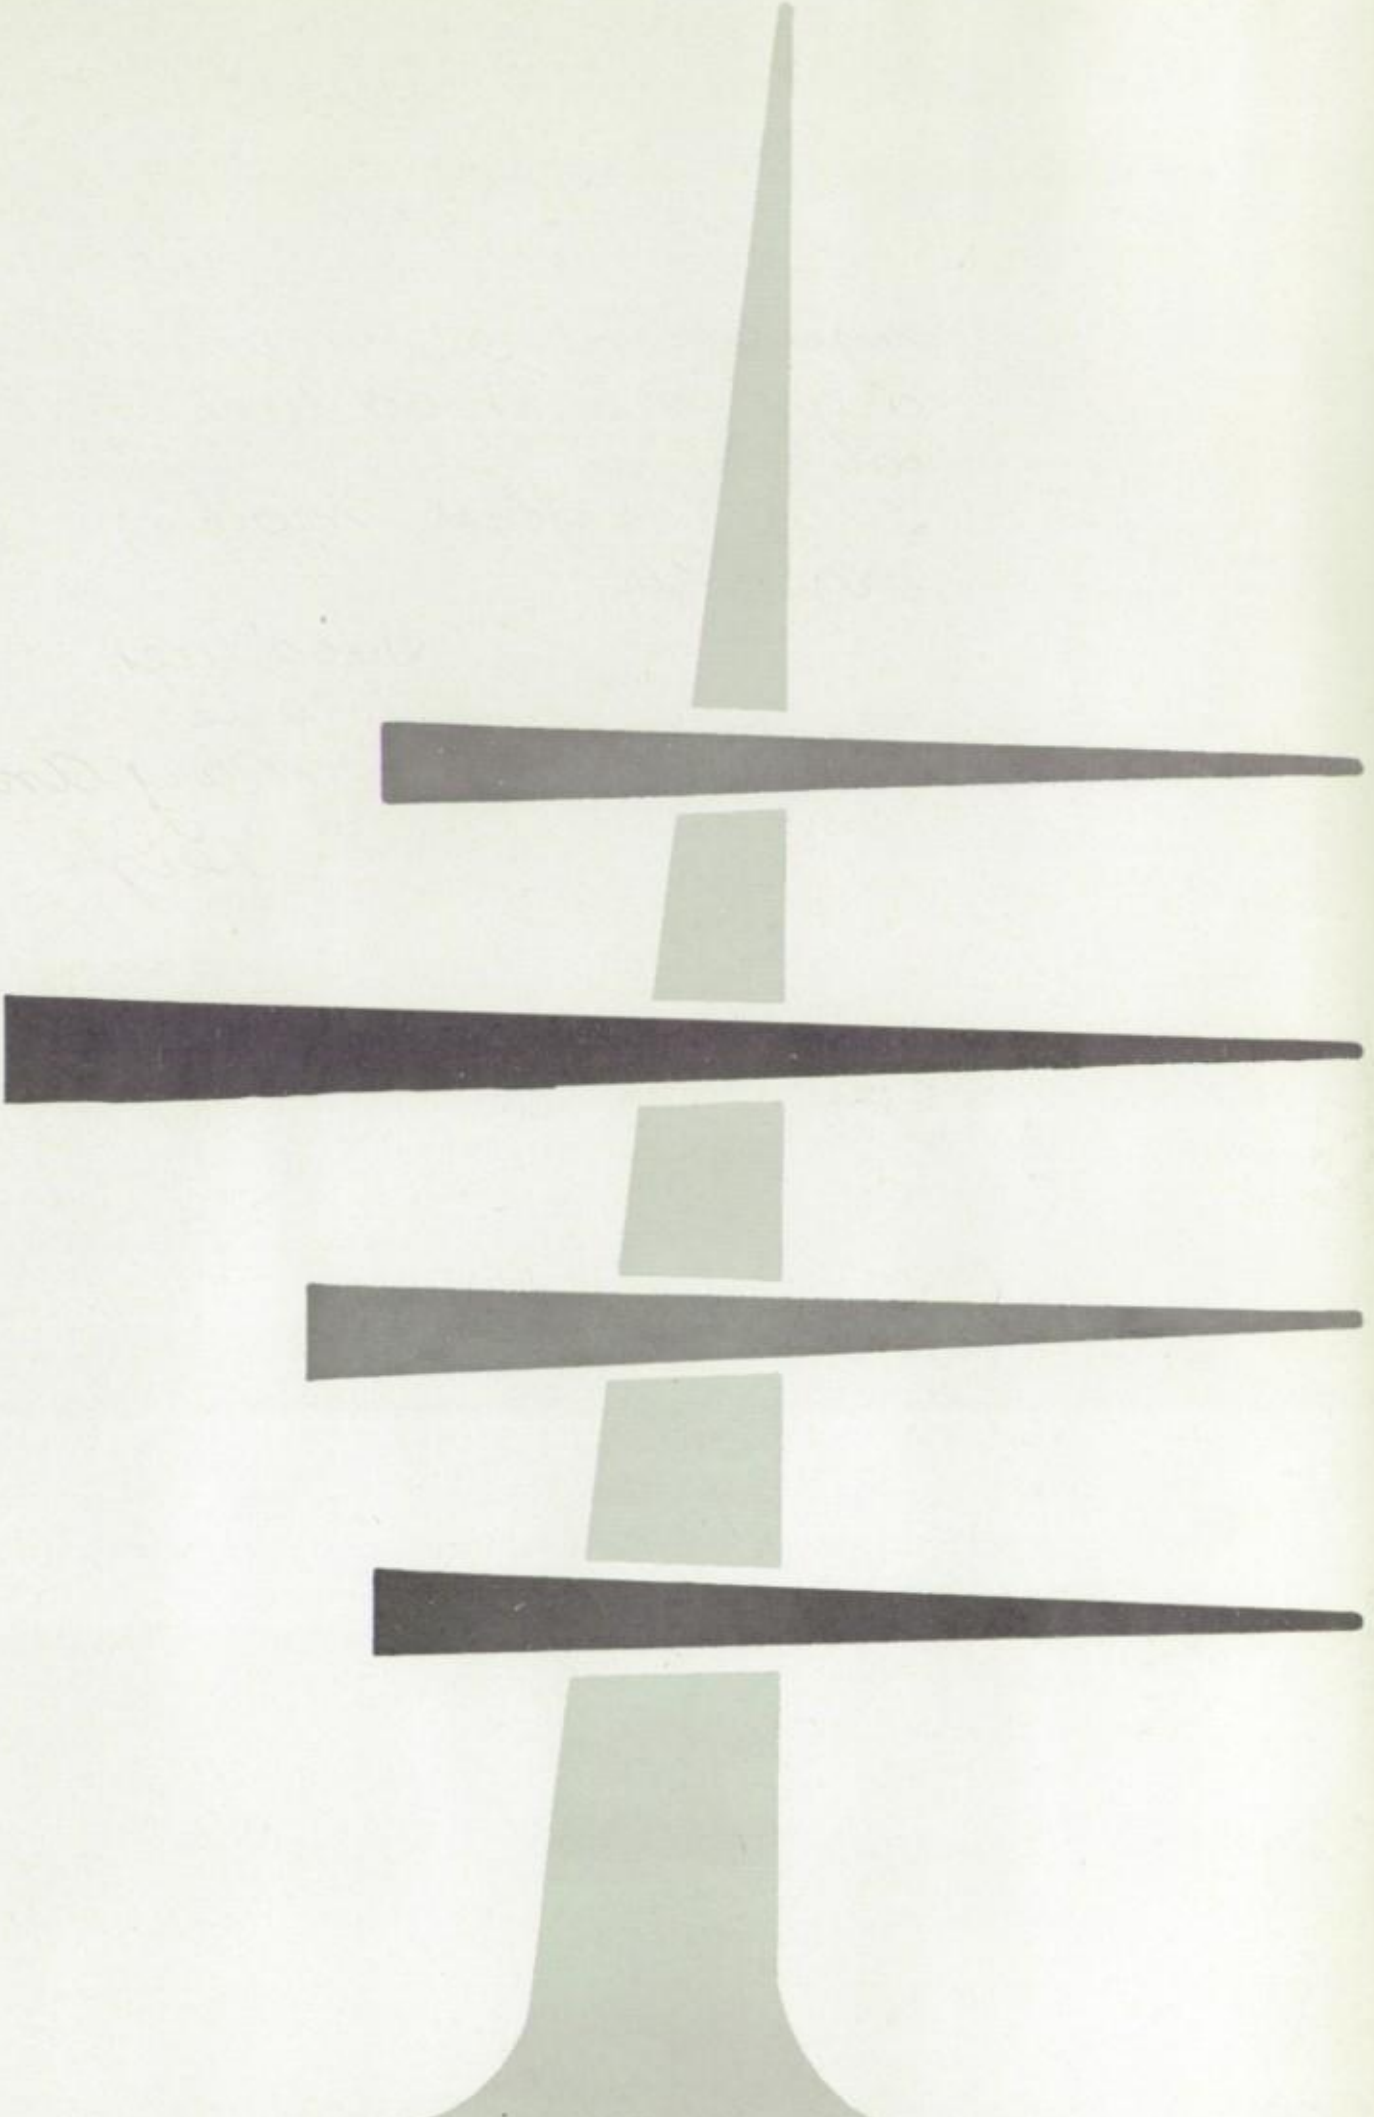

Seated, left to right: Cecil Goodwin, Secretary; John Gardner, member; Charles Stephens, President. Standing, Harlan Siegesmund, Vice President; Wayne Kneisley, Treasurer.

In August 1962, the county school corporation reorganization committee gave the school board of the Clinton-Hanna-Noble Consolidated School District permission to "proceed with plans to develop an improved educational program." Thus, SOUTH CENTRAL HIGH SCHOOL was established. As a result of this action, all high school students from Clinton Township, Hanna, and Union Mills were for the first time housed together in the high school building at Union Mills at the beginning of the 1962-63 school year, with Noble Twp. junior high and grade school children in the same building. Junior high and elementary pupils of the other two townships attend classes at Clinton Township School and at Hanna School.

A short time before school started last fall, the high school students met and voted on the school's nickname and colors. The nickname chosen was "SATELLITES" and the colors red, white, and blue.

According to present plans, the dream of a new school building for this district in the very near future is soon to be realized. Students and faculty, as well as the entire school district, look forward eagerly to that day.

Superintendent's Message

It is the sincere hope of the Clinton-Hanna-Noble Consolidated School District to improve and maintain quality education. Every student should be dedicated to master the basic tools of learning necessary for life's learning, citizenship, and character. As a student body, faculty, and community, may we work together to improve our schools; and may you be a better person by having participated in this program. Thank you.

Principal's Message

Congratulations to the first graduating class of South Central High School. It is my hope that these graduates will continue to grow and improve in the future, as will South Central. The greatest sense of accomplishment in teaching is seeing former students succeed in their chosen vocations. May this educational experience be cherished long and may it serve to make each graduate a better and more contributor to our society.

Seven Drivers Transport Students

Consolidation brought about the necessity of new school buses which are seen in the background of the two pictures above. On the left, are the Union Mills bus drivers, Paul Yelton, Cecil Nablo, Fred Satkoski, and Orville Ehrick.

On the right are bus drivers Leslie Shei, Hanna Township; Lloyd Mohlke and Stanley Brudek, Clinton Township. They transport the high school students from Clinton and Hanna Townships to South Central High School.

Custodians

Albert Schneider, on the left has been custodian of the school building at Union Mills for 28 years. He can recall the day when the mothers or fathers of some of the juniors and seniors were attending school here. Since then, many changes have taken place. Before a stoker was installed, it was necessary to heat the building by "hand firing" the furnace every half hour.

On the right is Leo Howell, who has been here for nine years. Because of the greater enrollment of the school this year, more space being utilized and requiring cleaning, the two custodians are kept busy at all times.

Kitchen Staff

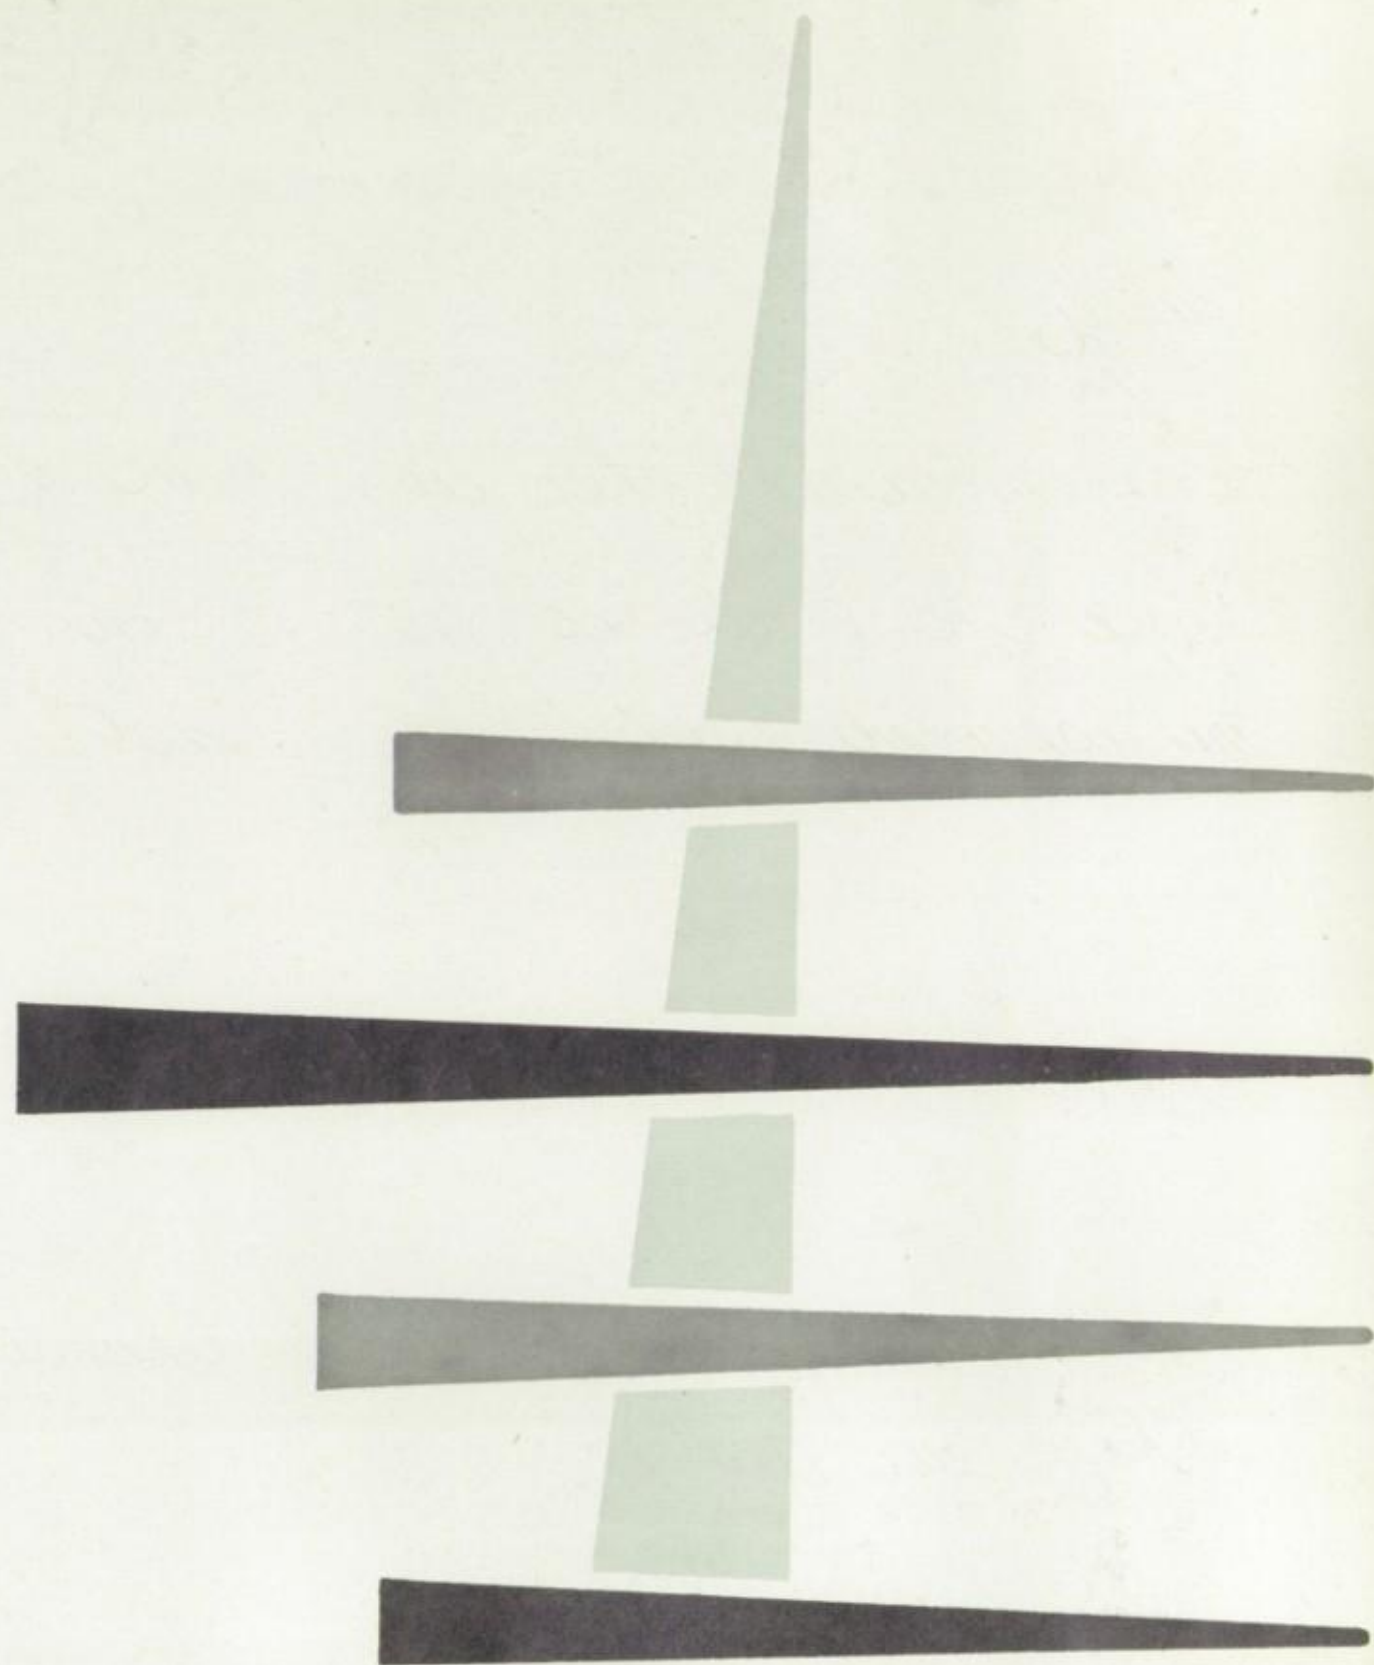

Mrs. Emma Thomas, on the right, is in her sixteenth year as school cook. She has always taken pride in the fact that she knew everyone's likes and dislikes. When first working for the school, there were about 140 students served in the cafeteria, but now there are 300 to be fed every day, which has made it necessary to have a "split noon hour."

Mrs. Maxine Hall, center, has worked part-time for seven years, but this year is on a full-time basis. Mrs. Edna Howell, on the left, and Mrs. A. Bishop (not in the picture) are new assistants.

I love you,
Albert

Your pal,
Leo

Autographs

Sally,

Remember all the fun we've had together.

I hope we have as much fun in the future as we've had in the past.

I hope you get all straightened up with Hares and the many other boys in your life, (Not mentioning names!) I do hope that you and Hares do get together real soon, cause he's such a "sweet" kid. (Even if he likes to show his weight on your toes!)

Remember the night when we got cut, or the night Marylee went to the PROM! (Last night!)

I hope we have as much fun at S.C. next year as we've had this year at good old H.H.S.

Well, I have one more thing to say.

Dear Aunt Nan,

I will always remember how you've helped me this year with my stupid problems, such as in cheerleading and with boys and stuff. You listen to me and discuss my problems with me. You help me out when I'm in a jam (or have been cut). You're always around to cheer me up. I enjoy you as a teacher and I try to be extra good in your classes. (You don't send any notes to my folks either) You keep my secrets for me and share them with me. (You hope you'll be with me all through school as you have been so far. (Remember when I used to cry in first grade?) I'll always think of you as sort of my second mother. I love you.

National Honor Society Chapter Installed

A new chapter of the National Honor Society was installed at South Central on February 14, 1963, by the John Dunk Chapter of Rolling Prairie High School.

Ten students, five seniors and five juniors, were installed. They are second from left Rita Bucher, senior; next, Veronica Porter, Virginia Drzewicki, Kathryn Escher, James Jessup, and Larry Goodwin, juniors; Ed Volk, Norma Wineholt, Nancy Keil, and Helen Sims, seniors. Mr. Robert LeRoy, far left, is the South Central Chapter sponsor; and Mrs. Helen Heeter and Mr. Ray Reed, far right, are the Rolling Prairie sponsors.

The National Honor Society is composed of students with outstanding scholastic ability. Those who are invited to join are seniors and juniors. The four symbols of the Honor Society are Character, Leadership, Service, and Scholarship. It is the most elite and honored group of the school and serves as a guide and a goal to the other students.

Student Council

The first student council in a new school has many responsibilities. It is concerned with making school laws and setting school standards. Before this can be accomplished, the student council must

have a law of its own. The representative of each class worked hard to write a constitution. The rules, which affect all students directly, were made by the student council members in the form of a handbook. For educational purposes, the student council planned convocations. For social purposes, dances and parties were sponsored. Money raised from these events builds a scholarship fund which a senior, chosen by the student council, will receive upon graduation.

The staff members of the COMPASS, which is published twice a month, are: Seated typist, Jane Deutch; and writers, Ray Lubs, and Mary Ann Lubs. Writers standing are: Susie Beahler, Judy Byer, Ted Grice, Barry Hatfield, Scotty Erwin, and Diane Meyer. Nancy Keil is editor, and Miss Palmbach is the sponsor. Norma Wineholt who is not a staff member, assists, along with other Office Practice students, in "running off" the paper on the mimeograph. Although not actually a part of the commercial department--most of the work on the newspaper is done in the typing room. At the right, Ed Volk and Diane Meyer are selling the school newspaper.

Commerce Department

The Office Practice class members are Norma Wineholt, Jane Deutch, using the mimeograph; Norma Young, using the comptometer; Shirley Thompson (background), Carol Pattee, and Sue Stroh, typists. Mrs. James Verkler is the teacher. Absent when picture was taken was Helen Sims.

Miss Evelyn Palmbach is instructing Marilyn Schmidt in writing shorthand characters on the blackboard. Other members of the shorthand class are (seated) Helen Sims and Shirley Thompson. Absent when picture was taken were Judy Byer and Adonica White. Miss Palmbach also teaches General Business and Bookkeeping.

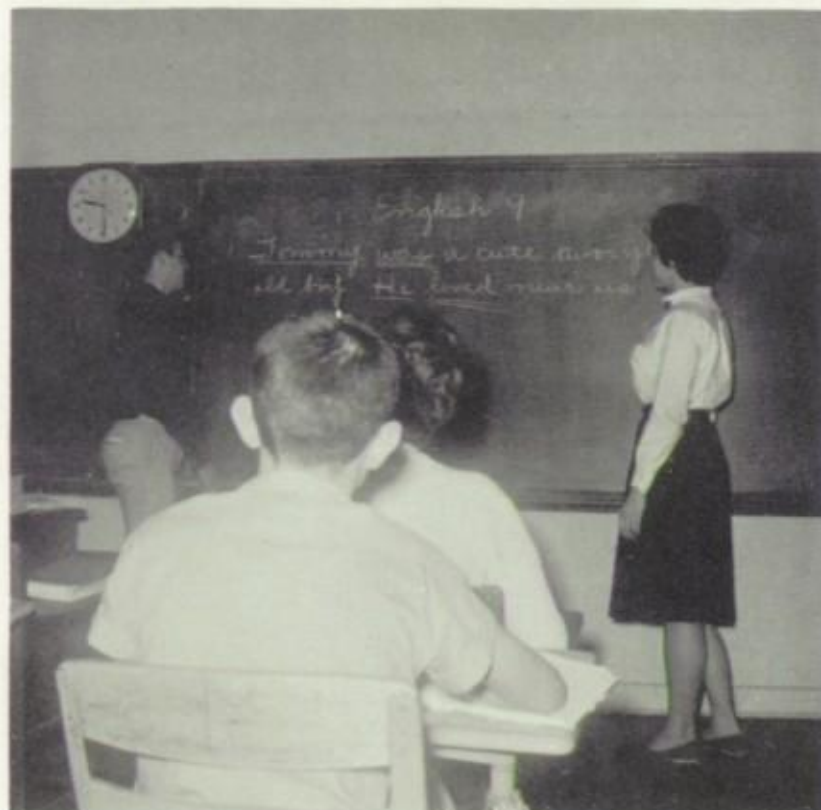

At the left is a portion of the Typing I class with Mrs. Verkler pointing out the timed writing scores. These posted scores enable each student to compare his rate with other class members. At the right the Typing II class is taking a timed writing.

English Department

Mrs. Bos taught Senior Government Class first semester. Besides her regular classes of English, she also taught College Prep and Senior English classes.

Pictured above is the Freshman Class taught by Mrs. Adams illustrating on the board the proper way of selecting a subject and predicate of a sentence. Mrs. Adams also teaches the Seventh, Eighth, and Tenth grade English classes.

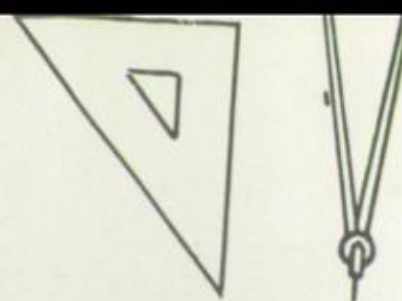

The Junior Literature Class, taught by Mrs. Bos, is illustrating how records may be used to be helpful in the study of literature. Shown are Marilyn Schmidt, Dave Sommers, and Phil King.

The Freshman Literature Class, taught by Mrs. Adams, is shown here studying their lesson. Those shown in the picture are left to right: Randy Fritz, Marylee Rosenbaum, and Craig Deardorff.

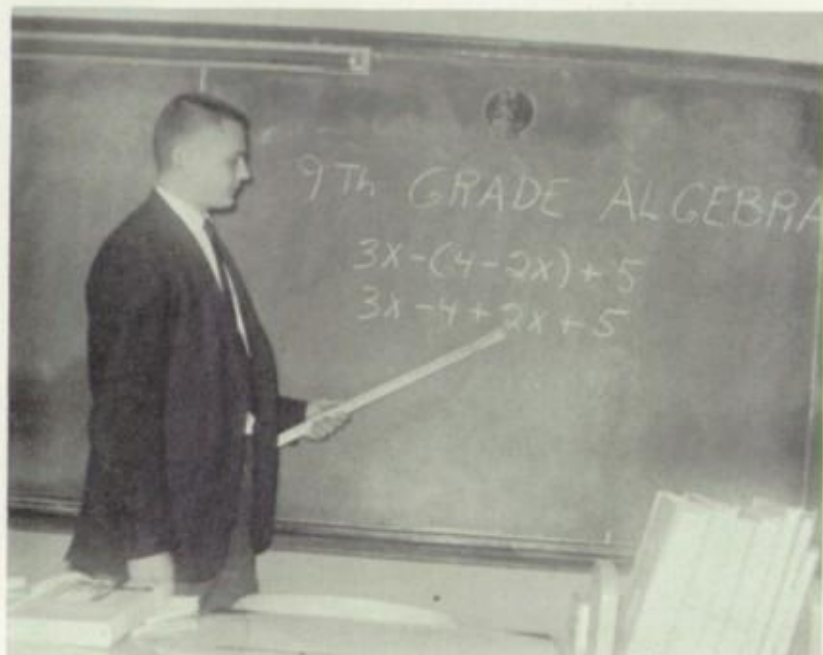

The following are those who plan to participate in the oratorical contest this year: Seniors--Barry Hatfield, Ray Lubs, Ted Grice, Eddie Volk, Diane Meyer, Nancy Keil, and Jerard Land. Juniors--Virginia Drzewicki, Pat Meltinos, Veronica Porter, Jack Schmidt, Phillip King, Bruce Sherwood, Harry Rinker, Mary Ann Lubs, Cheryl Patzka, and Judy Justice. Sophomores--Pat Siegesmund, and Beverly Doll. Freshmen--Jane Siegesmund, Marylee Rosenbaum, Ellen Drzewicki, and Reathel Marks.

Mathematics Department

Mrs. Bryant is shown above with her geometry class. She also teaches Algebra I & II and senior math. Her geometry class (upper right) is hard at work. The three seniors in Algebra II are shown at the right. Mrs. Bryant's senior math class (lower right) consists of only two students.

Mr. Klosinski, below, teaches not only Algebra I, but also 7th & 8th grade mathematics.

These students won honors at the district music contest at Low Wallace High School in Gary on February 1. Kay Yergler won first with a French horn solo and a piano solo. Helen Sims won first and Cheryl Patzka won second, each with a vocal solo. On February 16, Helen and Kay participated in the state contest at Butler University where they received first and second honors, respectively

Jane, previously captain, moved up as a varsity cheerleader after one of the varsity squad members resigned.

The first pep club of South Central High School was formed in the school year 1962-63 under the direction of Mrs. Ruth Grieger. It consists of approximately 120 members who represent all four high school classes. The pep club's first project was to select a sweatshirt for the new school. They chose a navy blue sweatshirt with the words SOUTH CENTRAL SATELLITES in white lettering surrounding a white satellite. The pep club has sponsored several sock-hops to make money for their county tourney project this year. The pep club's main duty is to back the team and we feel they deserve much credit for their hard work.

Above, at the left, is a picture of the Pep Club officers in front of the school slogan. They are, left to right: Charlene Shireman, President; Janet Bailey, Vice President; Jeanene Doll, Secretary; and Jane Deutch, Treasurer.

1963 County Cheerleader Champs

Not only is the purpose of the County Tourney to crown a new county basketball champion, but it is also a time to pick the outstanding cheerleaders in the county. Many original ideas are brought to Michigan City each year. The winners are chosen by the county high school principals on the basis of the following traits: appearance, teamwork, techniques, courtesy, sportsmanship, attitude, and control of cheer block. This year it was the privilege of South Central High School to capture this title. Our theme was "Press to Victory". Wearing press badges and press hats the Pep Club is pictured below. Presenting the trophy to the cheerleaders is Superintendent, John Dunk of the Clinton-Hanna-Noble Consolidated School District. Pictured next to him are the over-joyed cheerleaders, Caroline Utroske, captain, Marilynn Schmidt, Mary Doll, and Jane Siegesmund.

Since the yearbook went to press in February, the track team had not yet been organized. These are the boys who are interested in track. We are sure that they will make a good showing in all their meets.

The sport of cross country differs from track in that the course is always a two mile run over hills and around obstacles, while track consists of fast dashes, mile runs, and involves jumping and numerous other feats. Both sports require a maximum amount of physical effort.

Intramural basketball is designed for the boys who do not play varsity basketball. Two games are played each Wednesday evening, beginning at 7 o'clock. There are five teams: the Crusaders, Ruffnecks, Elzazeracs, D & D's, and Rogues. The major difference between intramural basketball and varsity basketball is that 15-minute halves are played and the clock continues running at all times. Gene Goad and Glen Rosenbaum have officiated the games and have done a fine job. Team captains are: Crusaders, John Shei; Ruffnecks, Richard Hicks; Elzazeracs, Bob Hagenow; D & D's, Bruce Sherwood; and Rogues, Barry Hatfield. These teams are coached by Mr. Robert Klosinski.
